It pairs well with meat or fish appetizers and crudités, delicate first courses and grilled white meat. Serve chilled at 8 C (46 F).*

## BUGLIONI

2014 IL VIGLIACCO SPUMANTE BRUT ROSÉ

Vineyard Size	13 hectares (32.12 acres)
Vine Age	20-25 years
Soil	Dark alluvial, gravelly, lightly textured
Elevation / Orientation	150 meters (492 feet) / north-south
Density	3,300 vines/hectare (1,335 vines/acre)
Training	Double pergola, 18 buds per vine, green cover crop between rows
Harvest Notes	Lower than average temperatures and high rainfall over early spring presented challenges in the vineyard during bud break and the flowering period. The overall grape yield was smaller than the average, however excellent quality at time of harvest. The hot summer months ensured positive grape health and allowed perfect ripeness, ensuring balanced acidity and sugar levels.
Harvest Dates	Mid-September
Yields	70 hl/ha (5.2 tons/acre)
Vinification	Destemmed grapes were crushed and pressed followed by a cold maceration for 48 hours with the skins. Fermentation was for approximately 15 days at a controlled temperature of 14 C (57 F) in stainless-steel tanks. Second fermentation also took place in stainless-steel tanks for 30 days, according to the Martinotti-Charvat method. The wine was aged for three months in bottle before being released.
Varietal Composition	100% Molinara
Production / Imported	3,350 cases (6/750ml) / 1,125 cases
Alcohol / TA / pH / RS	11.8% / 6.2g/L / 3.3 / 10g/L

*This wine takes its name from the Amarone DOC commission's decision to remove Molinara from the Amarone blend. Buglioni, left with grapes in its vineyards, decided to make a sparkling wine and call it "Il Vigliacco," or "the coward," and delivered the first case to the front step of the commission's office.*
