DOMAINE LAROCHE CHABLIS PREMIER CRU 2015 LES VAUDEVEY

LES VAUDEVEY:

Vaudevey can also be written in three words: “Vau,” “de,” and “Vey.” These words refer to the “Valley,” or “Vau,” of the “Vey,” which comes from the Latin word “Vadum,” which translates to “humid place” because of the river that used to flood the entrance of the valley.

2015 VINTAGE:

If 2015 was an early vintage, we cannot speak about a solar vintage, as was 2006, as it possesses a serious acid vertebral column. The tasting of juices straightaway showed a lot of balance and the delicacy, an impression confirmed after the fermentation where we found precise mouths, without heaviness, and aromatic white flowers. Wines show a beautiful acidity and a concentration which remind those of 2005.

TASTING NOTES:

Bright gold color

Lots of mineral hints, over a layer of lemon peel

Nervy, racy, lively

GRAPE VARIETY: 100% Chardonnay, 100% Chablis Grand Cru Les Blanchots

VINEYARD REGION: Domaine Laroche is one of only three proprietors in Les Vaudevey, owning 9.96 hectares (24.61 acres) of the 41.33-hectare (102.13 acres) premier cru vineyard. Planted on steep slopes of 195 to 235 meters (640 to 771 feet) with an eastern to southeastern exposure, the vines enjoy morning to early afternoon sun. They are, therefore, protected from excessive heat and mature slowly, developing a delicate flavor profile.

VINE AGE: Planted in 1980

SOIL: Vaudevey is planted on Kimmeridgian limestone with a very rocky topsoil providing good drainage and aeration. The limestone and clay soil contains a multitude of tiny fossilized oyster shells. This unique soil structure delineates the grand and premier cru areas of Chablis, imparting a finesse to the Chardonnay that is precise, elegant and exceptional.

VITICULTURE: One man, one plot: There are more than 30 people who are dedicated to caring for the 90-plus hectares (222.39 acres) of Domaine Laroche vineyards, with each person responsible for only one plot. This tailor-made approach allows them to manage the vineyards with precision, speed and accuracy. Everyone at Domaine Laroche practices “lutte raisonnée,” or “reasoned protection,” (using chemical intervention only when required): The vineyard is plowed to aerate the soil and encourage development of the root system, as well as the organic life in the soil. Vines are pruned and trained by hand, with a strict pruning and debudding regimen. Leaf plucking occurs to aerate the canopy and avoid the development of botrytis, while trellising aerates the grapes and provides them with favorable exposure.

PRESSING: Whole bunches in a pneumatic press, then 12 to 14 hours settling at 12 C (53 F) in specially designed wide tanks that accelerate the natural settling process

FERMENTATION: 3 weeks at 17 C (63 F) (66% stainless steel, 34% French oak)

MATURATION: 9 months (66% stainless steel, 34% French oak)

FILTRATION: Minimum filtration to preserve the natural character of the wine

ALCOHOL: 12.5%
