of the year

**Jeio (by Bisol)**  
**BRUT, PROSECCO DOC**

“Bisol represents a gold standard in Prosecco production, from its prestigious cru-level wines to the value-priced Jeio line. The Cuvée Spumante Brut includes some chardonnay, which gives it more heft than most, with notes of golden apple and pear; the Valdobbiadene Brut is tighter, with finer bubbles, mouthwatering acidity and cool salinity—ready for Wellfleet oysters.”
