

KUMEU RIVER

2008 ESTATE CHARDONNAY

KUMEU, NEW ZEALAND

92 POINTS

“A benchmark for New Zealand Chardonnay, Kumeu River is located in the Kumeu region, whose cool Pacific-influenced climate is remarkably consistent each year. This estate Chardonnay from choice parcels on the 99 acres Kumeu owns or maintains was fermented and aged 11 months in barrel. As owner-winemaker Michael Brajkovich has done with all his wines since 2001, this white is sealed with a screw cap.”
