ABOUT THE WINERY

RouteStock is an invitation to discover the deep roots of winemaking in Napa and Sonoma, planted firmly at each step of your journey through our vineyard sites. Every glass tells the story of Napa's remarkable fine wine heritage, from the famous routes that wind between the vineyards, to the roots that produce its world-renowned grapes.

ABOUT THE WINE

A dry and refreshing white wine, this 100% Chardonnay bottling is derived from two vineyard sites, one in Napa and one on the Sonoma side of the cool Carneros regions, using two different clones (Wente and Dijon 77). Temperature-controlled fermentation in stainless steel tanks preserves youthful brightness, while seven months of aging in mostly used French oak allow it to soften, rounding out this lovely expression of an iconic terroir.
