2007 BLANC DE NOIRS
NORTH COAST

94 POINTS, EDITORS' CHOICE

“Mainly Pinot Noir, with some Chardonnay for brightness and citrusy zest, this brilliantly clean wine has an incredibly fierce mousse. It seems to boil in the glass, and the followup mouthfeel is as creamy and refined as any California sparkler in memory. The Pinot asserts itself in delicate touches of raspberries and strawberries. Delicious and compelling now. Try with sushi.”

2008 BLANC DE BLANCS
NORTH COAST

94 POINTS, EDITORS' CHOICE

“Made from 100% Chardonnay grown mostly in Napa and Sonoma counties, this charming bubbly is one of the best blanc de blancs on the market. It's rich and honeyed and feels so good in the mouth, carrying flavors of oranges, sweet limes, Meyer lemons, vanilla and toasty bread.”

2008 BRUT ROSÉ
NORTH COAST

93 POINTS

“A terrific blush bubbly, rich and sophisticated in the mouth. The mousse is very fine and silky, and the flavors are just tremendous. Raspberries, strawberries, brioche, sweet vanilla and toast end in a long, opulent swirl of spices. This Pinot Noir and Chardonnay blend comes mostly from Napa and Sonoma counties.”
