MAS LA CHEVALIERE

SUD DE LA FRANCE

2019 CABERNET SAUVIGNON, IGP PAYS D'OC

ABOUT THE WINERY

Quality winemaking is part of the DNA of Laroche from Chablis to Languedoc, where it owns Mas la Chevalière. The 45 hectares (111 acres) of vineyards here are comprised of cooler, high-altitude sites for whites and hillside terraces for reds. It is a strong conviction of the Laroche team that all efforts in the vineyards should be perpetuated in the winery. The diversity of the soil, climates and grape varieties afford an exceptional range of white and rosé wines, all light and fresh, and red wines that are rich, balanced and well structured.

ABOUT THE WINE

The Cabernet Sauvignon is sourced from Béziers, located in central Languedoc, just 10km from the Mediterranean sea. The vineyards are oriented south and east, with soils rich in clay and limestone, and reach an elevation of 200 meters. The vines are 20 years old on average and provide fruit of wonderful concentration with a balanced tannin structure. The wine is aged 6 months in stainless steel with minimum filtration to preserve the fruits natural character.
