Route Stock

2018 SAUVIGNON BLANC, ROUTE 29, NAPA VALLEY

ABOUT THE WINERY

RouteStock is an endeavor of Wilson Daniels. After more than forty years of working with some of the world's greatest wine families, we've formed many key relationships. Through these relationships we have access to exceptionally high-quality fruit sources, allowing us to craft wines with superior quality and authenticity.

ABOUT THE WINE

RouteStock creates high-quality varietal wines from the world's most highly regarded wine regions, while paying homage to the roads we travel when we journey through wine country. The Sauvignon Blanc pays homage to Route 29, which travels through the heart of Napa Valley and presents perfect growing conditions for Sauvignon Blanc.

KEY SELLING POINTS

- All the pieces of each RouteStock wine are treated as if they would be a flagship cuvée
- The wines are aged 100% in barrel – absolutely no tank aged, chipped, augmented, colored or otherwise manipulated wine in any of our finished product
- We are dedicated to sourcing great fruit and we work very closely with each of our grower partners to grow and produce the wine to our specifications
- Winemaker, Vance Rose, has a competitive advantage to sourcing the fruit through his relationships at Amorim Cork

WINEENTHUSIAST

"Slate and stone provide a mineral character to this white wine, fermented in both concrete egg and oak. Mouthfilling and youthful, it offers strong flavors of green apple amidst a steely, complex body of light-bodied weight."

- Virginie Boone, July 2018
