

# FRENZY

2017  
MARLBOROUGH  
SAUVIGNON BLANC

## HISTORY

Made in Blenheim, the wine capital of New Zealand, FRENZY Sauvignon Blanc is produced by Paua Bay Wines and is a carefully made blend of the best wines from selected vineyards. Capturing the spirit of New Zealand, FRENZY is crisp, refreshing, vibrant, aromatic and energetic with hints of peach, grapefruit, lime, melon and fresh cut grass. New Zealand produces what many wine critics consider the world's best Sauvignon Blanc, so drink up the FRENZY.

## VINEYARDS

FRENZY Sauvignon Blanc is sourced from selected vineyards located on New Zealand's South Island, including the famous Marlborough region, which is ideally suited to this varietal. The soil is composed of volcanic Greywacke stones and alluvial river silt.

## VINTAGE NOTES

2017 was an excellent growing year and flavours came early which allowed us to pick the grapes at slightly lower sugar levels than normal resulting in elegant, concentrated wines. The harvest commenced late March and continued into April.

## VINIFICATION

The grapes were gently pressed before fermentation in stainless steel tanks. Fermentation was conducted at low temperatures (12-14C) to retain the wines strong and appealing aromatics.

## TASTING NOTES

Intensely aromatic and lively with flavours of passionfruit and guava underpinned with aromas of fresh herbs and blackcurrant this is a great wine to enjoy as an aperitif, or match with seafoods. The palate is vibrant with zingy fruit that is balanced with a long, crisp mineral finish.
