

CASTELLO DI VOLPAIA

2015 II PURO, CHIANTI CLASSICO GRAN SELEZIONE

"Il Puro" (The Pure) it's pure indigenous Sangiovese from the vineyard of Casanova, located at 1470 feet above the sea level, on the South facing slope of Volpaia between the celebrated vineyards of Coltassala and Balifico. Here we organically grow 25 clones of Sangiovese indigenous of Volpaia and reproduced from over 60 years old vines to preserve the local genetic diversity.

The 2006 vintage is the first selection from the vineyard Casanova that has given birth to "Il Puro": 100% sangiovese, 100% indigenous clones, 100% organic, 100% Chianti Classico, zero emissions of CO2. "Il Puro" is the demonstration of how the vinification of pure Sangiovese in the Chianti Classico gives the most true and authentic representation of the territory.

VINTAGE NOTES The 2015 growing season was very warm. Beginning in May, the growth cycle of the grapevines began 10 days earlier than any time in our recorded viticultural history at the winery. The month of July presented a very hot period, including record heat throughout all of Italy. This hot and dry condition resulted in vineyard hydro-stress, which accelerated the verasional development in the grape clusters. Temperatures remained very high during August and September with minimal days of rain. This warm late summer and early fall period guaranteed fantastic ripening and produced outstanding quality.
