2018 CHÂTEAUNEUF-DU-PAPE

VINTAGE

The 2018 vintage was marked by abundant rain that brought welcome relief to the Provençal vegetation that was able to recover after a particularly dry summer in 2017. Combined with high temperatures during the growing season, this humidity resulted in unprecedented levels of mildew in the vines and consequently very low yields.

Fortunately the frequent use of essential oils and plant based tisanes, together with our biodynamic practices and a magnificent autumn, limited the damage and enabled us to bring in superb grapes.

TERROIR

Châteauneuf-du-Pape is characterized by the diversity of its soils, with a mosaic of plots where different varieties grow together on limestone rock, round pebbles on a clay substrate with varying amounts of iron, and fine sedimentary sand.

GRAPE VARIETIES

A blend of the 6 white grape varieties of the appellation.

WINEMAKING AND MATURING

The grapes are hand-picked and sorted in the vineyard. Long, gentle pressing, co-fermentation and maturing in stainless steel vats, small foudres and oak barrels for 6 months.

TASTING NOTES

This wine symbolizes our love for white Châteauneuf-du-Pape. With its smooth, fresh texture, its crisp, juicy fruit and its saline finish, it is like a walk in a Provençal garden.
