PRELIUS

MAREMMA  TOSCANA

2019 VERMENTINO, TOSCANA IGT

ITALY | TUSCANY

ABOUT THE WINERY

In the hilly amphitheater of Tuscany's Maremma region, above an ancient coastal lake called Preliaus, a vineyard organically farmed by the Stianti Mascheroni family flourishes. This vineyard, also called Preliaus, is the first venture outside of Chianti Classico for the Stianti Mascheroni family, leaders in Tuscany's organic viticultural movement. The vineyards of Preliaus are located on a hilltop along the shores of the ancient lake, 5 miles from the sea facing the majestic Tuscan Archipelago.

ABOUT THE WINE

The 100% organic Vermentino displays floral aromas that merge with hints of racy citrus, pineapple and mineral characters that couple with a softening marine influence. On the palate, this is a refreshing elegant wine, retaining its balanced acidity. The mouthfeel bursts with fresh fruit that lingers on the finish.

KEY SELLING POINTS

- Preliaus practices 100% organic farming certified by the EU
- Vineyard sites benefit from cooling afternoon breezes that flow in from the sea to the hills allowing grapes to maintain optimal flavor with balanced acidity
- The Preliaus label represents the receding waters of the ancient coastal lake of Preliaus, which has slowly disappeared due to the drainage during the 1930's
