DOMAINE DE BEAURENARD

BIOTIFULFOX RED 2019

ABOUT THE WINERY

Domaine de Beurenard has been a family-run estate for eight generations. Today, brothers Daniel and Frédéric Coulon and Daniel's sons Victor and Antonin are dedicated to producing the most essential expression of this historic region, long sought-after by discerning collectors and enthusiasts around the globe. In addition to working with their own organically certified vineyard in Châteauneuf-du-Pape, Rasteau and Côtes du Rhône, the family started a new adventure with BiotifulFOX. Under the leadership of Victor and Antonin, they are now helping grape growers in their transition to biodynamics. Using only certified organic and biodynamic vineyards, the two brothers are now producing a range of three wines from the southern Rhône called BiotifulFOX.

ABOUT THE WINE

It all begins with a meticulous selection of grapes. In the cellar, only the first juices, elegant and aromatic, are retained. Vinification is conducted with respect for the astral calendar, with slow fermentation at a controlled temperature in stainless steel tank, followed by thoughtful blending and a period of rest in bottle. At each and every stage the Coulon family is attentive to the balance of the wine. Vintage after vintage, the BiotifulFOX wines interpret the beauty of southern Rhône valley terroir and carry their signature style: an audacious triptych of fragrance, delicacy and minerality.

KEY SELLING POINTS

- All vineyards are certified organic and biodynamic and are tended to frequently by the Coulon family during the growing season and up to harvest.
- Wines are made in the same facilities and with the same attention to details as the rest of the Châteauneuf-du-Pape produced by the family.
- No oak aging in order to produce a fruity and mineral expression of the southern Rhône valley

TECHNICAL DETAILS

Varietal Composition: 70% Grenache, 25% Syrah, 5% Carignan

Fermentation: All 3 varietals are co-fermented in stainless steel tank, with controlled temperatures and using only native yeast | **Alcohol:** 14.5%
