

DOMAINE DE BEAURENARD

RASTEAU 2018

ABOUT THE WINERY

Domaine de Beurenard has been a family-run estate for eight generations. Today, brothers Daniel and Frédéric Coulon and Daniel's sons Victor and Antonin are dedicated to producing the most essential expressions of this historic region, long sought-after by discerning collectors and enthusiasts around the globe. While each family member has a specialization and area of expertise, everyone is involved in all major decisions in the vineyard and cellar while maintaining profound respect for tradition. Certified organic and biodynamic since 2010, the family own all the vineyards they work with: 32ha in Châteauneuf-du-Pape, 25ha in Rasteau and 10ha in Côtes du Rhône.

ABOUT THE WINE

Well orientated slopes and terraces offer ideal sun exposure. The vines flourish in a stony limestone clay soil and exhibit a unique complexity thanks to certified organic and biodynamic agriculture. Beautifully deep in color, Rasteau 2018 offers a superbly fresh nose with notes of garrigue and wild blueberries. This combination of fruit and spice is mirrored in the mouth, with notes of wild raspberry, rosemary and thyme.

JEB DUNNUCK

"In addition to their brilliant Châteauneuf-du-Pape, this estate makes two terrific Rasteau. Their 2018 Rasteau offers a medium to full-bodied, fruit-forward, balanced style as well as the more blue fruit character that's common in the vintage. With classic pepper, earth, and spice notes, it should easily be an outstanding wine."
