

 PEYRASSOL

CHÂTEAU

Château Peyrassol Red 2018

AOP CÔTES DE PROVENCE

Behind the Wine: The fruit selected for the Château wines comes from the oldest part of the estate, the two hills — called the Colline and Poucabana areas with vines that are at least 45 years of age. This 100% estate wine offers the purest expression of a great Provencal terroir.

Soil

Predominately clay and limestone

Varietals

Syrah, Cabernet Sauvignon, Grenache

Alcohol

13.5%

The 2018 Vintage

After a dry year, then a wet year. 2018 required a lot of work on the vines to counter the effects of humidity. In return, it has produced lively and balanced wines with good density.

Vinification

Once hand harvested and hand sorted, the fruit is 100% destemmed and sent by gravity to the concrete vats. Varietals are vinified separately and then blended in the pure Provencal tradition.

Aging

Aged in large oak foudres and a few oak barrels for 12 to 15 months.

Tasting

Syrah dominant, the wine is deep ruby red in color with subtle aromas of red cherry, raspberries and blueberries with floral notes of violet and peony. The taste profile is rich in structure with harmonious tannins and flavors of spice, fresh fruit, and the signature Syrah peppery finish.

Pairing

Pairs well with grilled vegetables and beef carpaccio with olive oil, lemon and rosemary.
