

PEYRASSOL

LES CLOS

Les Clos Peyrassol Red 2019

AOP CÔTES DE PROVENCE

Behind the Wine: Known by devoted seekers of finesse, Le Clos Peyrassol Red is a perfected blend. Rare and precious, it is only produced in great vintages in limited quantities and comes from a scrupulous selection of the best grapes from one of the emblematic plots.

Vineyards

Entirely surrounded by dry stone walls, at the foot of the Commanderie buildings, the Clos plot covers 7 hectares planted on soils predominantly of limestone and red clay with a high proportion of gravel. Currently under organic conversion.

Varietals

Syrah, Cabernet Sauvignon

Alcohol

13.5%

The 2019 Vintage

Marked by a particularly hot and dry climate, the 2019 vintage in Provence benefited from some welcome showers in the terroirs of the interior valleys at the beginning of September, which allowed the grapes to reach maturity. The harvest then took place under a particularly mild sky which directly contributed to the quality of the harvest.

Vinification

The fruit is vinified in concrete tanks with light pigeage, then blended after going through a vertical press.

Aging

Aged for up to 15 months in one large foudre, french oak barrels and one concrete egg-shaped tank.

Tasting

The wine is black garnet in color with purple reflections. Aromas of liquorice stick and dark baked fruits. This wine is representative of the excellence of the domain with balance and great concentration.

Pairing

Pairs well with game meats or chicken stuffed with foie gras and truffles.
