

BLANC DE BLANCS NV BRUT, CHAMPAGNE, FRANCE

ABOUT THE WINERY

Champagne Gosset has been family owned and operated since 1584, making it the oldest wine house in Champagne. The winery's style delivers pure, precise, elegant and textured wines, with remarkable longevity. These high-quality wines reflect their sourcing, primarily Grand and Premier Cru vineyards, and are crafted without malolactic fermentation and with a minimum of inputs beyond what the grapes provide.

ABOUT THE WINE

The Grand Blanc de Blancs encompasses the finesse of the Côte des Blancs and the structure of the Montagne de Reims. This cuvée launched in 2011 – a bold move from a winery whose history is rooted in the Pinot Noir territory of Aÿ. However, in recent decades, Gosset's wines are dominated by Chardonnay, reflecting access to the best Chardonnay sites. The family and winery team offers a wine with finesse, elegance and freshness in the style of its other cuvées.

KEY SELLING POINTS

- Two keys to Gosset style are avoiding malolactic fermentation, which allows the terroir of the cru vineyards to shine, and the extended lees aging, which adds texture and complexity
- During assemblage, all the lots are tasted blind – there are no recipes with Champagne Gosset; dosage is also selected during blind trials
- Key crus influence this wine: Avize brings vivacity and purity, Chouilly adds richness and texture and Cramant provides minerality and salinity
- Grand Blanc de Blancs is technically an Extra Brut style with 6 g/L dosage

Wine Spectator

"Bright and graceful, this leads on the nose with racy chalk and smoke notes, a minerally underpinning for delicate flavors of Gala apple, blanched almond, fleur de sel and pickling ginger. Seamless and fresh, with a long finish."
