

# 2020 Bergström Vineyard Pinot Noir Dundee Hills AVA

Our original estate and our family's North Star is located in the iron-rich, volcanic soils of the Dundee Hills. The Bergström Vineyard is 13 acres of south and southeast-facing vines bathing in the cool northerly sunlight and overlooking the expansive and rich Willamette Valley. Optimum elevation and exposure provide ideal ripening potential for our most powerful, yet elegant expression of Pinot Noir, annually adorned with flowers, fruit, savory herbs and spices and ferrous minerals.

## Farming

- Biodynamic since inception
- Soils: Volcanic "Jory" clays on top of basalt rock
- Exposures: South and southeast at 380 feet
- Vines: 23 years old
- Clonal Selections: 50% old Pommard and Wadenswil. 50% Dijon 777, 667 & 115

## Winemaking

- 100% whole-cluster fermentation in open-top stainless steel fermentation tanks
- Native fermentation where possible. Inoculation with selected native Burgundian strains of yeast where needed
- 228L French oak cooperage. > 15% new oak
- 100% malolactic and alcoholic fermentation (no residual sugars or malic acids)
- 12 months élevage in barrel
- No fining. No filtration

## Tasting Note

From one of the lowest yielding vintages in our history, the 2020 Pinot Noir portfolio showcases some of my favorite attributes of young red wines: bright, fresh fruit aromas and flavors, sweet floral perfume, sweet and savory herbs and a distinct saline minerality all tied up in a playful and juicy structure. This wine is no exception.

An explosively gorgeous perfume of red fruit candies, roses, violets, sweet herbs, black and green teas, grilled meats, toasted French oak and sweet spices. On the palate, this wine is pure and silky with a youthful charm of wild strawberries, potpourri, sweet peppers, French tarragon, basil and mint. It is rich, but this great terroir gifts a texture that is effortlessly elegant. Fresh, crunchy fruit flavors and floral aromas abound with an irresistible ferrous iron mineral structure. This is massively enjoyable to drink right now.

## Technical Details

- Alcohol: 12.4%
- Available Formats: 750ml
- Varietals: 100% Pinot Noir
- Harvest Dates: September 7-23, 2020
- Cases Produced: 327
