TASTING NOTES

This wine has a brilliant Burgundy color with a deep brooding nose that explodes out of the glass with aromas of orange peel, shiitake mushrooms, soy sauce, dried leaves, bay laurel and fall berries. The wine is a great balance between red and black fruit notes that saturate the palate with black tea, autumnal leaves, wood spice, dried citrus peel, and fennel. It is bright and fresh as well as deep and broad. This Pinot Noir is medium bodied combining silkiness with a nice grip of tannin, all with restrained alcohol that gives way to an amazingly complex and long finish that brings you back for another sip, another glass, and another bottle.
