VIN DE CHAMPAGNE - LUDES - MARNE

2016 Côte - Cramant, Grand Cru

STORY

The Cramant Grand Cru, located within the Côte des Blancs in Champagne, is located south-southeast of the town of Épernay. It is a small sub-region with a mere 351 ha planted to 99.9% Chardonnay and 0.1% Pinot Meunier. Champagnes grown in Cramant tend to be creamier, more concentrated, mineral driven wines, compared to those from neighboring Grand Crus with different vineyard exposures.

TASTING NOTES

Precise and delicate first nose with a lot of purity, some notes of linden flower, with hints of candied lemon. Energetic and harmonious palate, combined with creamy bubbles. The texture is powdery and long, with notes of lemon zest. Beautiful intensity of the lees allowed by 6 years of ageing in the cellar. Initial aromas of zesty meringue aromas are balanced and delicate, with a bit of raciness, a signature of the Grands Crus of the Côte des Blancs.

This 2016 benefits from the place, Cramant brings its elegance and height, underlined by an intense crumbly chalk at the end.
