MAREMMA  TOSCANA

PRELIUS CABERNET SAUVIGNON MAREMMA TOSCANA DOC 2021

The label represents the fluid, the essence of the ancient costal lake of Prelius, what now is know as the Maremma Toscana around Grosseto. The lake has slowly disappeared also due to the drainage of the 30s and now the only fluid that's left is the excellent wine making tradition of the region. The vineyards of Prelius are located on a hilltop along the shores of the ancient lake, 5 miles from the sea facing the majestic Tuscan Archipelago. The label was prize with the gold label and Special Jury Prize for Coordinated Image at the International packaging competition in 2009. It was also awarded with the Red Dot communication award.
