BIOTIFULFOX - ROSÉ

2021

THE STORY

The Coulon family, owners of Domaine de Beaurenard in Châteauneuf-du-Pape, interprets vintage after vintage the beauty of Mediterranean terroirs in the Southern Rhône Valley. Today, biodynamic farming is the obvious choice. Man works in harmony with nature, driven by a profound respect for Terroirs and for Life. BiotifulFOX is made from organic and biodynamic farming, both certified.

VINIFICATION

It all begins with a meticulous selection of grapes. In the cellar only the first juices, elegant and aromatic, are retained. Vinification is conducted with respect for the astral calendar, slow fermentation at a controlled temperature, followed by thoughtful blending and a period of rest in bottle. At each and every stage the Coulon family is attentive to the balance of the wine. BiotifulFOX carries their signature: an audacious triptych of fragrance, delicacy and minerality.
