

DOMAINE LAROCHE
2021 CHABLIS
LES BEAUROYS
PREMIER CRU

DETAILS:

The most charming Premier Cru. Refined, fruity and mineral above all, with an elegant finish.

2021 VINTAGE:

The 2021 vintage could almost be described as late as we have been used to earlier and earlier harvests in recent years. The manual harvest started on September 21st in the parcels of Vieille Voge / Vaillons / Butteaux and Blanchots. Following episodes of rain, the sanitary pressure was present but controlled by our technical teams. In the end, the juices presented promising balanced profiles which were confirmed during the maturation. The tastings conducted in the cellars showed the finesse and the good acidity present in the wines.

GRAPE VARIETY: 100% Chardonnay

VINEYARD: Les Beuroys grow on Kimmeridgian limestone foothill and give Chablis' minerality to the wine but also a typical richness which makes it a great wine.

SOIL: Kimmeridgian limestone

VINIFICATION: Hand harvest and sorting at the winery. Fermentation in oak casks and stainless steel tanks. Aging on fine lees in the same casks and tanks.

ALCOHOL: 12.5%

TASTING NOTES: "The first year with all barrel elevage for this wine. Also a subtle reduction – here with an extra width of aroma – becoming more floral with air. A little rounder but no barrel flavour – complex – an extra depth of middle and finishing flavour – super. That's a great Beuroy." -Bill Nanson
