2022 LA MARÂTRE

WINERY

Le Nozay is a small 17th-century castle near Sainte Gemme en Sancerrois in Sancerre. In 1970, Baron Philippe de Benoist and his wife Marie-Hélène settled in Château du Nozay and created Domaine du Nozay. They planted the first hectare of Sauvignon Blanc in 1971, which they later expanded to 15 hectares. Philippe was joined by his son Cyril, who now heads the estate. The Domaine du Nozay has been certified in Organic Agriculture since 2011 and in Biodynamics since 2017. It is a family wine estate in Sancerre, surrounded by peace and tranquility. The resulting wines reflect this.

WINE

Grown in Kimmeridgian marls with lots of clay, 220 meters high on a plateau above the cellar with rows planted north to south, facing the hill of Sancerre. The grapes come only from the plot that bears the same name.

VINEYARDS

The famous terroir of Sancerre, known as “Terres Blanches” (white lands), promotes self-defense and good health for the vine. Pruning, disbudding, and training techniques are used to create a favorable micro-climate. The soil is managed for the benefit of the biomass and the vine. The Domaine also experiments with sonic stimulation in the vineyards. Speaker towers emit tonal sequences throughout the day to enhance sap circulation and overall plant health.

WINEMAKING

The grapes from these vines are pressed with a pneumatic press, with the advantage of not “jostling” the marc and therefore obtaining a very clean must. Vinification takes place in stainless steel barrel-shaped vats, which last as long as possible, with no use of yeasts or superfluous additives. Time does its work while being, despite everything, closely watched.

VINTAGE NOTES

From April, hot and dry conditions resulted in an early bud break. This favorable weather led to rapid vegetation growth. The flowering also occurred early and quickly, starting on May 20th and finishing by May 30th. June was hot, but there was significant rainfall at the end of the month, including 110 mm between June 22nd and 26th. These rains helped the vines withstand the subsequent heatwaves, which greatly contributed to the exceptional success of the vintage at the Domaine. July and August were extremely hot and dry, with some beneficial rains in early September. Our winery is now filled with this remarkable nectar. We are grateful to St. Vincent and nature for compensating for the losses we experienced in the 2021 vintage.

TASTING NOTES

A brilliant and intense color with golden reflections distilling elegant and discreet aromas of lychee pink grapefruit, yellow lemon, and especially sliced yellow peach. With an ideal acidity carried by an admirably structured body, its refreshing notes of pear in syrup, give it a certain pleasure on the palate.

VINEYARD

Region: Loire Valley
Appellation: Sancerre AOC
Soil: Clay-Limestone
Age/Exposure: 15 year-old vines
East exposure
Elevation: 220m
Certifications: Organic - Demeter, 2011
Biodynamic - Demeter, 2017

WINEMAKING

Varietals: 100% Sauvignon Blanc
Harvest Date: September 7-9, 2022
Aging: 10 months in stainless steel
Fining: None
Filtering: Light lenticular filtration
Bottling Date: September 12, 2023

TECHNICAL DETAILS

Yeast: Native
Alcohol: 12.6%
Total Acidity: 3.27
Residual Sugar: 0.23 g/L
