

DOMAINE DE BEAURENARD

2022 CHÂTEAUNEUF-DU-PAPE

WINERY

Domaine de Beurenard has been a family-run estate for eight generations. Today, brothers Daniel & Frédéric Coulon and Daniel's sons Victor and Antonin are dedicated to producing the most essential expressions of this historic region, long sought-after by discerning collectors and enthusiasts around the globe. Domaine de Beurenard has been producing certified biodynamic wines on more than 80 acres of this celebrated terroir since 2011. Domaine de Beurenard is also established in the up and coming Rasteau Appellation with 60 acres and in Côtes du Rhône with 25 acres both also certified biodynamic.

WINE

100% Estate Grown, the family's vineyards are spread across the whole Châteauneuf-du-Pape appellation and planted on all 4 types of soils, bringing more complexity to the wine. Co-fermentation of all 13 permitted grape varieties help define this flagship wine.

VINEYARDS

Châteauneuf-du-Pape is characterized by the diversity of its soils, with a mosaic of plots where different varieties grow together on limestone rock, round pebbles on a clay substrate with varying amounts of iron, and fine sedimentary sand.

VINTAGE NOTES

2022 was a very warm and dry year. The good rain episodes at the end of August and early September were ideal and particularly important to help the vines balance the fruit profile and continue a normal ripening process. Quantities were quite reduced due to the drought in addition to three episodes of hail throughout the season. Despite this unusual climate, 2022 vintage has shown a very beautiful fruity and bright profile in the wines.

WINEMAKING

The grapes are hand-picked and sorted in the vineyard. Co-fermentation, long vatting for soft extractions. Matured for 12 months in conical vats, foudres and barrels.

TASTING NOTES

Domaine de Beurenard's flagship wine is a quintessential blend, reflecting all the diversity of the terroir and the perfect synergy that exists between the soils and the grapes. It offers a supple and refined texture associated with a delicate aromatic palette that is the result of a constant quest for freshness.
