

# ESPRIT LEFLAIVE

## 2020 POMMARD PREMIER CRU, LES ARVELETS

### WINERY

The roots of the Leflaive family go back to 1717 when Claude Leflaive took up residence in Puligny-Montrachet, intent upon cultivating several acres of vineyards. The domaine, in its present form, was created by Joseph Leflaive between the years of 1910-1930, as a result of his successive purchases of vineyards and houses. Domaine Leflaive has been entirely a family domaine since its creation. Brice de La Morandière, great-grandson of the founder, Joseph Leflaive, represents the fourth generation at the head of the domaine. In 2015, after an international corporate career, he succeeded Anne-Claude, pioneer in biodynamics. It is with the same philosophy of respect for the great terroirs, humility toward the forces of nature and relentless pursuit of excellence in viticulture and in winemaking that the domaine will continue to grow in the future.

### WINE

A selection of unique wines, Esprit Leflaive was born in the 2018 vintage. At the crossroads of fabulous terroirs from Burgundy and an expertise in Chardonnay and Pinot Noir, Esprit Leflaive ventures beyond the Côte de Beaune and the Mâconnais, to Chablis and the Côte de Nuits, to explore the wider Burgundy.

### VINEYARDS

This surprisingly elegant yet substantial effort is from a unique Premier Cru in the Pommard appellation – located

on the “La Petite Combe,” this vineyard maintains beautiful freshness and elegance in its fruit. The wine has the capacity to develop without a doubt, but it is well-balanced and expressive even now.

### VINTAGE NOTES

The 2020 vintage was remarkable for its quality and yield. After a mild, rainy autumn and winter, spring started early with sunny and windy weather. Despite the two-month lockdown, work in the vineyard proceeded as usual.

Flowering occurred under ideal conditions in late May, suggesting an early vintage. Despite cool, rainy June weather, we anticipated a generous harvest. The summer was hot and dry, punctuated by a heat wave in August and much-needed rainfalls on August 17 and 22.

Harvesting began in Puligny on August 20, yielding grapes in excellent condition with lots of juice and fruity aromas, a pleasant surprise considering the summer heat.

### WINEMAKING

Manual harvesting with partial whole bunch vinification, and long maceration in wooden vats with some manual punching down. Aged 15 months in oak barrels (including 30% in new barrels) then 3 months in stainless steel vats.

### TASTING NOTES

A beautiful fruitiness and a certain nerviness, this is a wine that gets straight to the point without falling into rusticity thanks to beautiful tannins and gentle extraction.
