

ESPRIT LEFLAIVE

2019 BEAUNE PREMIER CRU, LES TUVILAINS

WINERY

The roots of the Leflaive family go back to 1717 when Claude Leflaive took up residence in Puligny-Montrachet, intent upon cultivating several acres of vineyards. The domaine, in its present form, was created by Joseph Leflaive between the years of 1910-1930, as a result of his successive purchases of vineyards and houses. Domaine Leflaive has been entirely a family domaine since its creation. Brice de La Morandière, great-grandson of the founder, Joseph Leflaive, represents the fourth generation at the head of the domaine. In 2015, after an international corporate career, he succeeded Anne-Claude, pioneer in biodynamics. It is with the same philosophy of respect for the great terroirs, humility toward the forces of nature and relentless pursuit of excellence in viticulture and in winemaking that the domaine will continue to grow in the future.

WINE

A selection of unique wines, Esprit Leflaive was born in the 2018 vintage. At the crossroads of fabulous terroirs from Burgundy and an expertise in Chardonnay and Pinot Noir, Esprit Leflaive ventures beyond the Côte de Beaune and the Mâconnais, to Chablis and the Côte de Nuits, to explore the wider Burgundy.

VINEYARDS

The red wine range in the L'Esprit Leflaive offering is perhaps a touch more intriguing than the whites, if only because Pinot Noir has historically never really factored into the domaine's range in any significant way. Pierre Vincent's elegant and deft touch in expressing the beautiful

character of Pinot Noir, even from appellations often considered to be bordering upon rustic, is fully apparent. This wine has polish and balance beyond its label and expresses lovely balance.

VINTAGE NOTES

After a particularly short winter, the months of February and March were almost spring-like, and dry, with a day of record heat for the season on the 27th of February. The vines registered the message of nature, woke up early, and started growing. However, the weather returned to seasonal cold days from 5th April. The season's first-morning frost was followed by four other episodes lasting until 7th May. The summer of 2019 was one of the hottest to date with two heat waves: one at the end of June and the other at the end of July. It exceeded 40°C in some places and signs of burning appeared on some bunches. Fortunately, the month of August was cooler with rain on the 10th and 12th of August, allowing the vines some relief.

WINEMAKING

Manual harvesting with partial whole bunch vinification, and long maceration in wooden vats with some manual punching down. Aged 15 months in oak barrels (including 25% in new barrels) then 3 months in stainless steel vats.

TASTING NOTES

Attractive fruitiness with beautiful notes of wild strawberries make it a very charming wine. There is immense density on the palate due to the full maturity of tannins which will aid in its longevity.
